NOISE ABATEMENT POLICY SOUND RESTRICTIONS

SOUND RESTRICTIONS: Maximum noise level of 85 dB will be maintained on the exhibit floor. This standard is endorsed by the International Association of Expositions and Events (IAEE) and CHAMPS.

CHAMPS noise abatement policy is as follows:

- All booth elements must remain within the officially contracted booth space. This includes all truss work, audio equipment, speakers, etc.
- Exhibitors demonstrating audio equipment in an open display should use a sound chamber or acoustically contained area to keep the sound level from intruding on any adjacent exhibits.
- Speakers of any kind must be directed toward the interior of the exhibitor's booth space. Speakers may not face aisles or neighboring exhibits.
- When demonstrating audio equipment within an enclosed demonstration room, subwoofers must be positioned away from walls that are adjacent to neighboring exhibits.
- Sound complaints will immediately be addressed by CHAMPS Management. If a vibration or sound complaint is not resolved by the offending party, CHAMPS Management reserves the right to shut down power immediately until the issue is resolved.
- Exhibitors are responsible for supervising the actions of employees, visitors or spectators testing display equipment located in their exhibit area

CHAMPS Management will intervene if necessary and reserves the right to shut down exhibits deemed objectionable. Floor managers in each show location will rove through the exhibit areas monitoring the decibel level during show hours. Measurements will be taken at a distance no greater than 10' from the offending display. After measuring a continuous decibel level of greater than 85 dB, following a complaint being registered by a spectator, a neighboring exhibitor or personal observation by a roving designate, the following procedures will be strictly enforced as follows:

First Warning:

- Violating exhibitor will be given a verbal warning
- Booth power may be turned off for one hour

Second Warning:

- Violating exhibitor will be given a verbal 2nd warning
- Booth power may be turned off for one day

HEIGHT REGULATIONS & GUIDELINES LINE OF SIGHT & BOOTH CONSTRUCTION LINEAR BOOTH

LINEAR BOOTH: Also called “in-line” booths, are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only one side exposed to the aisle.

- Hanging signs are not permitted above linear booths.
- Back 5' (1.52m) of booth has a maximum height of 8' (2.44m).
- Front 5' (1.52m) of booth has maximum height restriction of 4' (1.22m) on all materials – structure, product and/or equipment.
- Displays are limited to 4' in height (1.22m), in the front half of each booth. Machinery, equipment or products may not be shown on a raised/built-up platform or counter if they interfere with the height restrictions. If your display exceeds 4' in height (1.22m) it is required that you place it away from the 5' x 10' sightline area in the front of the booth in order to provide a “see-through” lane for neighboring sponsors.
- Inline booths may not exceed 8' in height without written permission.
- Back side of exhibits exceeding 8' in height may NOT display any graphics.
- Unfinished exteriors including video walls must be covered at the exhibitors' expense.

EXAMPLE OF A LINEAR BOOTH:

HEIGHT REGULATIONS & GUIDELINES BOOTH CONSTRUCTION REGULATIONS & DIAGRAMS PENINSULA BOOTH

PENINSULA BOOTH: Exhibit which occupies both corners at the end of a row of standard linear booths with an aisle on three sides. A peninsula booth is a minimum of 20' x 20' (6.096m x 6.096m) in size.

- Maximum height of 16' (4.88m), or higher with Event Management approval.
- If you have a hanging sign, there must be at least 3' (0.9144m) clearance from the top of the booth to the bottom of the sign and the total booth presence cannot exceed 20' (6.096m).
- All display fixtures over 4' (1.22m) in height and placed within 10' (3.05m) of a neighboring exhibit must be confined to that area of the booth that is at least 5' (1.52m) from the aisle line to avoid blocking the sight line from the aisle to the adjoining booth.
- Peninsula booths are 'faced' towards the cross aisle. Any portion of the booth bordering another exhibitor's booth must have a finished back side and must not carry identification signs or other copy that would detract from the adjoining exhibit.
- Please bring all US Engineer-stamped, approved plans onsite for the Fire Marshal. The Fire Marshal reserves the right to deny booth construction without these plans.
- Walls must be finished on both sides so as not to be unsightly to neighboring exhibitors.
- Unfinished exteriors including video walls must be covered at the exhibitors' expense.

EXAMPLE OF A PENINSULA BOOTH:

**HEIGHT REGULATIONS & GUIDELINES
LINE OF SIGHT & BOOTH CONSTRUCTION
ISLAND BOOTH**

ISLAND BOOTH: A minimum of four standard booths (**20' x 20' / 6 meters x 6 meters or larger**), exposed to aisles on all four sides.

- The maximum height is 16' (4.88 meters). Maximum booth presence (including top of hanging signs) can be 20' with show management pre-approval.
- If you have a hanging sign, there must be at least a 3' clearance from the highest point of the booth properties to the bottom of the sign. Total height to top of sign cannot be higher than 20'.
- The length of any solid perimeter wall, structure, video wall, or combination of elements exceeding 8' in height (2.4384m) from the ground located within 3' from any adjoining aisle is limited to half the length (or width) of your contracted space.
- Walls must be finished on both sides so as not to be unsightly to neighboring exhibitors.
- Unfinished exteriors including video walls must be covered at the exhibitors' expense.
- Exhibitors may use Plexiglas or similar see-through material to create a wall that will allow for a line of sight from one booth to the next.
- If you have any type of interactive display, you must have a 3' clearance from the aisle(s) to allow for crowds.
- All exhibitors must bring a copy of their US Engineer-stamped plans on-site for the Fire Marshal. The Fire Marshal reserves the right to deny booth construction without these plans.

Graphic Submission Guidelines

When submitting your artwork, these guidelines are vital to ensure your graphics look the very best.

1. All logos must be in a ***vector format**, saved in Adobe Illustrator or as an EPS file. Raster images will not be accepted - this includes .jpg, .png or .gif files copied directly from a web site.

* Art that can be scaled to any size without losing quality
2. All text should be converted to outlines or with the fonts provided. PC fonts only. All fonts must be embedded.
3. Photographic images should be 300 dpi at the final size in the layout in either JPG or TIF file format. **Sorry, Internet images cannot be used.**
 - Large continuous graphic walls 10ft wide or more need only be between 90 -150 dpi at actual size.
 - How an image is originally acquired will determine its resolution, and thus the size it can print at for clear and crisp printing.
 - Resolution and size (dimensions) are inversely proportional to each other. If you enlarge an image, you lower its resolution.
4. You must provide either a printed proof or a PDF proof when submitting artwork. This allows us to check the files for the font, color problems, missing links and more.

HANGING SIGNS RULES AND REGULATIONS

Hanging signs, both electrical and non-electrical, are permitted at this event provided that doing so complies with show management rules and regulations. Exhibitors and display houses must adhere to all of the following conditions and limitations listed below:

- 1) Hanging Signs are not permitted in inline and linear booths.
- 2) All hanging signs must be sent to the LVE advance warehouse by the deadline, separate from your booth samples and/or merchandise. Use the hanging sign shipping label in this Exhibitor Service Manual. Note on your shipping documents "Hanging Signs." Failure to follow these shipping rules may result in your sign not being hung and you will be subject to the higher hanging sign rates.
- 3) Set-up instructions must be included with the Hanging Sign Order Form and in the Hanging Sign container. Orders without the placement diagram will result in the higher hanging sign rates.
- 4) All hanging signs must be assembled, installed and removed by LVE. Assembly by exhibitor or display house personnel is not permitted.
- 5) Final rigging of all hanging signs will be determined by LVE to ensure minimum stress to the supporting framework.
- 6) All structures and existing hardware will be inspected by the LVE rigging crew. All additional hardware will be charged accordingly. Structures that are deemed unsafe will not be hung. The exhibitor will be responsible for the labor spent attempting to assemble and hang such sign.
- 7) The specific placement of your hanging sign may differ from your original request based on the ceiling structure and support beams of the facility. This will be determined onsite by the LVE.
- 8) All electrical and neon signs must be in working order and conform to National Electric Code. Electricity for electrical signs is not included, this must be ordered by the exhibitor in advance with the electrical provider.
- 9) LVE will begin to assemble and hang the signs as soon as the hall is accessible as long as the order and the sign are received by the appropriate deadline dates.
- 10) Hanging Signs must not exceed the size of the booth.
- 11) LVE does not guarantee the hanging of signs when orders are not placed by the deadline.
- 12) You are required to make arrangements prior to move-out for the outbound dismantling, packing and shipping of your hanging sign. LVE cannot be held liable for damages or misplacement of signs(s) should outbound dismantling arrangements not be made. All pertinent information and arrangements must be given to the LVE Service Center.
- 13) Scheduling a specific time for your sign to be hung is not permitted.
- 14) Structural Integrity and placement form must be submitted with order.

LIMITS OF LIABILITY & RESPONSIBILITY**I. TERMS AND CONDITIONS**

These terms and conditions, limitations of liability, and time limitations are binding on all parties and their representatives, including Exhibitor Appointed Contractors, Installation & Dismantle personnel, as well as agents of the parties. They may be changed by LVE without notice. LVE assumes no liability in connection with Client's use and Client's supervision of union labor provided by LVE. Client agrees and understands that its employees and representatives attend the show site at their own risk.

All charges for services or materials are due in advance or at the time of order. A credit card on file and authorization to charge it is required to place an order. Payment may be made by credit card, check, or wire transfer. A credit card on file with LVE and authorization to charge it is required in order to pay by check or wire transfer. Fees for cancellation of an order can range up to the full amount of the order (up to 100%) depending on the pre-event work already performed, set up costs, and other factors. A non-refundable deposit will be required.

Outstanding balances must be paid by the end of the show. A late charge of 1.5% per month applies to any amounts not settled before the end of the event. LVE reserves the right to retain Client's goods in appropriate circumstances for amounts due which have not been settled. Client is responsible for all charges involved in the rendering of services or materials in the transaction with LVE, and for all amounts incurred in connection with the transaction with LVE which involve the event. Parties agree that the credit card provided to LVE may be charged for services, material handling, labor, and for other services and materials related to the transaction, including those provided by any third parties, representatives, or agents of the parties. By placing an order online or otherwise, client authorizes LVE to charge its credit card and agrees that LVE may charge the credit card provided to LVE by Client for any services, equipment, transportation, shipping, or materials as described and set forth in this Paragraph. Client authorizes LVE to charge all amounts to the credit card on file for said materials and services ordered by Client or Client's representatives as well as for said materials and services rendered to Client's company.

In order to obtain advance pricing, payment must be received and accepted by LVE prior to the deadline. After the conclusion of the event, LVE will make any adjustments to an invoice, if applicable. If Client is tax exempt in the state in which the event is held, a sales tax exemption certificate must be submitted to LVE.

Services and goods have separate, specific forms that apply to their order. Client must review the specific form that is applicable to the ordered service or materials for additional terms and conditions contained therein. LVE has a separate agreement with terms and conditions that apply to storage of goods. Client shall review LVE's form that pertains to the agreement for storage of goods for additional provisions that apply and authorize said form for the storage of any materials.

II. LIMITS OF LIABILITY & RESPONSIBILITY

1) The placing of an order for services, equipment, transportation, shipping, or materials by a client or any agent of the Client shall be construed as an offer subject to acceptance and approval of LVE in its sole discretion. Upon participation of any LVE show or event, the Client and its agents shall be bound by the terms and conditions set forth in Sections 2 through 8 below and Sections 1 thorough 7 in Part III. Likewise, once LVE has accepted and approved the Client's offer, any shipper consigning or delivering a shipment to LVE or its subcontractors on behalf of Client shall be bound by the terms and conditions set forth in Sections 2 through 8 below and Sections 1 through 7 in Part III.

2) LVE and its subcontractors shall not be liable for: damage to, or loss of, pieces of art; fragile equipment; electronics; uncrated freight; freight improperly packed or improperly labeled; glass breakage; concealed damage as determined by LVE; for delay to uncrated freight or freight improperly packed or labeled; or for ordinary wear and tear which occurs in the handling of the goods. Client shall package and label items properly before goods are moved or shipped; this includes making sure that goods are packed to withstand transport using forklifts, dollies, and related equipment.

3) Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to a booth by LVE or its subcontractors and the arrival of the Client's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pick-up of materials from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended. Therefore, it is agreed that LVE and its subcontractors are not responsible for the loss or disappearance of, or damage to any items left in the booth unattended at any time, or for loss, disappearance, or damage occurring during the time the items are transported to dock and subsequently accepted by carrier. All bills of lading covering outgoing shipment(s) submitted to LVE or its subcontractors by Client will be checked at the time of pick-up from the booth and corrected where discrepancies exist. Received goods must be accompanied by documents showing appropriate details, such as bills of lading or suitable documents showing unit counts. If goods are not accompanied by such documents there shall be no guarantee as to the goods' condition or as to the piece count.

4) LVE and its subcontractors shall not be held liable for any damage incurred during the handling of equipment requiring special devices to properly load, place or reload, unless advance notice has been given to LVE in time to obtain the proper equipment.

5) LVE and its subcontractors shall not be held responsible for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts or work stoppages of any kind, fire, theft, windstorm, water, vandalism, acts of God, failure of power or utilities, events of force majeure, actions or lack thereof of Client or other third parties, and the transportation of fragile items.

6) LVE and its subcontractors shall not be liable for ordinary wear and tear in the handling of materials and/or equipment. LVE shall not be responsible for damage to shrink wrapped items.

7) LVE and its subcontractors are not to be held liable for events of loss or damage to Client's property; that is, LVE does not insure the Client's property against loss or damage, nor does it provide full replacement value should loss or damage occur. Insurance, if any, shall be obtained by the Client. Amounts payable by LVE under this Paragraph are based on the scope of the liability as herein set forth and are unrelated to the value of the Client's property. Provisions of this paragraph shall apply if Client's property is lost or damaged through performance or nonperformance of services by LVE or from the negligence of LVE, its subcontractors, or their respective employees. If such loss or damage occurs, the liability of LVE and its subcontractors shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less. This amount shall be considered Client's agreed-upon damages and exclusive remedy.

8) LVE will not be bound to honor any claim or action brought against LVE or its subcontractors more than 60 days after the date of incident.

LIMITS OF LIABILITY & RESPONSIBILITY CONTINUED**III. LIMITATION OF LIABILITY**

1) LVE AND ITS SUBCONTRACTORS SHALL NOT BE LIABLE TO ANY EXTENT WHATSOEVER FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHICH MAY INCLUDE, BUT ARE NOT LIMITED TO ANY ACTUAL, POTENTIAL OR ASSUMED LOSS OF PROFITS OR REVENUES, LOSS OF USE OF EQUIPMENT OR PRODUCTS, OR ANY COLLATERAL COSTS THAT MAY RESULT FROM ANY LOSS OR DAMAGE TO CLIENT'S MATERIALS OR ANY INJURY TO CLIENT'S PERSONNEL WHICH MAY MAKE IT IMPOSSIBLE OR IMPRACTICAL FOR CLIENT TO EXHIBIT ITS MATERIALS.

2) Client agrees in connection with the receipt, handling, temporary storage and reloading of its freight, that LVE and its subcontractors will provide these services as Client's agent and not as bailee or shipper. If any employees of LVE or its subcontractors sign a delivery receipt, bill of lading or other document, the parties agree that LVE or its subcontractors will do so as the Client's, and the Client shall accept the responsibility thereof.

3) LVE and its subcontractors shall not be liable for shipments received without receipts, freight bill, or specified unit counts on receipts or freight bills. Such shipments will be delivered to booth without guarantee of piece count or condition.

4) Empty container labels will be available at the LVE Service Desk. Affixing the labels is the sole responsibility of the Client or its representative. It is understood that these labels are used for Empty Storage only, and LVE and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.

5) In order to expedite removal of freight from the show site, LVE shall have the authority to change designated carriers, if assigned carriers do not pick up on time. Where the Client makes no disposition, freight will be taken to a warehouse or forced shipped on a carrier determined by LVE and the Client agrees to be responsible for payment charges relating to such handling and shipping. LVE assumes no liability as a result of such rerouting or handling.

6) Dry and Cold Storage – Client stores products at its own risk. LVE assumes no liability or responsibility for dry or cold storage.

7) The Client agrees, in the event of a dispute with LVE or its subcontractors related to any loss or damage to any of the Client's freight or equipment, that the Client will not withhold payment in any amount due to LVE for freight handling services or any other services provided by LVE or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Client agrees to pay LVE prior to the close of the show for all such charges and further agrees that any claim the Client may have against LVE or its subcontractors shall be pursued independently by the Client as a completely separate transaction to be resolved on its own merits.

Be sure your freight is insured from the time it leaves your place of business until it is returned after the show. It is suggested that Clients arrange all risk coverage. Riders to existing policies can usually do this. Contact your insurance representative. Also, be sure your liability insurance is in effect during transmit and return of your freight, during storage, and at show site. All transit claims will be referred to the common carrier.

Client shall hold harmless, protect, defend, and indemnify LVE and LVE's subcontractors, its employees, agents, contractors, representatives, installation and dismantle persons, persons supervising union labor obtained through LVE, including reasonable attorney fees and court costs, for and against every claim, demand, damage, cause of action, suit or other litigation, without limit and without regard to the cause or causes thereof or the fault of any party, on account of or stemming from every instance of bodily injury to persons, or loss or damage to property other than goods, arising from performance of services.

The terms and conditions of this agreement and transaction with LVE shall be construed in accordance with and governed by the applicable laws of the United States of America and the laws of the State of Nevada where applicable. Any action or proceeding against LVE under or in connection with this Agreement or transaction with LVE, or any of the forms or Contract Documents involving LVE providing services or materials for the event, may be brought in the Courts of the State of Nevada, County of Clark.

I, the Client herein, agree that submitting my order online or otherwise shall constitute my acceptance of, and electronic signature to, this Agreement. I have read and understand all of the terms of this Agreement. By submitting this information to LVE, I hereby agree to, consent to, and authorize this Agreement and all of its terms.

SHOW SITE WORK RULES****ATTENTION******UNION JURISDICTION**

To simplify show preparation, we are certain you will appreciate knowing in advance that Union Labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following.

EXHIBIT LABOR

Local Union has jurisdiction through a labor agreement with all contractors for the installation, touch-up painting, dismantling and repair of all exhibits. This work is to include wall coverings, floor coverings, pipe and drape, painting, hanging signs and decorative material from the ceiling, and the erection of platforms used for exhibit purposes. To secure labor, please utilize the labor form enclosed.

If full-time company personnel are utilized to set their exhibits, they must carry positive company identification such as medical identification card or payroll stub. This rule prohibits the utilization of workers hired from a non-union agency or company.

DEFINITION OF EXHIBITS THAT FULL-TIME COMPANY PERSONNEL MAY SET: 10 X 10, 10 X 20, KNOWN AS MOM & POP POP-UPS (NO GEM WALLS OR HARD WALL EXHIBITS MAY BE SET BY EXHIBITOR).

Local Union jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance, or repairs of your machinery or products.

FREIGHT HANDLING

Local Union has jurisdiction through a labor agreement with the General Contractor for the loading and unloading of all trucks, trailers, and common and contact carriers as well as the handling of empty crates and the operation of material handling equipment and any mechanical devices such as forklifts, pallet jacks, hijackers, etc. The Local Union also has the jurisdiction of the unloading, uncrating, un-skidding, leveling, painted, and assembly of machinery and equipment and the reverse process.

The General Contractor has the responsibility of receiving and handling all the exhibit materials and empty crates. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move-in/move-out of the trade. Show.

An exhibitor may "hand carry" merchandise and "pop ups" only, provided they do not use material handling equipment to assist them, such as push carts, two or four wheel dollies or anything with wheels. When an Exhibitor chooses to "hand carry" materials they must utilize the "hand carry doors". They are not permitted to access to the loading dock/freight door areas. Please see the Hand Carry Policy contained in this kit for details.

Exhibitors may deliver materials to the loading dock/freight doors in their own personnel vehicle with the following restrictions:

1. The General Contractor has complete control of the loading dock at all times;
2. Exhibitors may not leave vehicles unattended at the loading areas. Any unattended vehicle may be towed.
3. All materials must be handled by the freight department and subject to the published material handling prices.

GRATUITIES

The General Contractor and I&D companies signatory to the contractor with Teamsters Local Union requires that exhibitors do not tip its employees by giving money, merchandise, or other special consideration for services rendered. Any attempts to solicit or take gratuity by an employee for any service, should be reported immediately to a supervisor of the contractor. Contracted employees are paid an excellent wage, and tipping is not an accepted policy.

All craftsmen dealing with exhibitors will do so in a courteous and professional manner. All questions arising with regard to the Union's jurisdiction or practices must be directed to the General Contractor and the Union.

14. MATERIALS FOR HANDOUTS MUST BE LIMITED TO A ONE-DAY SUPPLY AND MUST BE STORED NEATLY WITHIN THE BOOTH. Violators will be notified and if not removed by show opening, show decorator will remove and store at EXHIBITOR'S EXPENSE. All storage must be kept clear of electrical cables or junction boxes.
15. FLAMMABLE OR COMBUSTIBLE LIQUIDS ARE PROHIBITED INSIDE OF BUILDINGS EXCEPT AS APPROVED BY THE FIRE SAFETY OFFICE. Flammable thinners, solvents and paints, including aerosol cans are strictly prohibited within the building.

FREQUENTLY ASKED FREIGHT QUESTIONS

WHEN CAN I SHIP TO THE WAREHOUSE?

We will begin accepting freight 30 days prior to move-in.

The warehouse will receive shipments Monday through Friday 8:00 AM - 3:30 PM.

To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Show Information page. Your freight will be accepted after the deadline date, however additional charges will be incurred.

HOW DO I LABEL MY FREIGHT?

The label should include the exhibiting company, the booth number, the name of the event and addresses c/o LVE.

The specific shipping address for the warehouse is located on the Show Information page.

It is best to label every carton on a skid with at least your company name and booth number. For your convenience we have provided labels in the exhibitor manual.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

Pick up "Empty Labels" at Exhibitor Services. Place a label on each container. Labeled containers will be picked up periodically and stored during the show.

At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

Each shipment must have a completed LVE Outbound Material Handling Form in order to ship materials from the show. All pieces must be labeled individually. (You can pick these items up at LVE Exhibitor Services.)

After materials are packed, labeled, and ready to be shipped, the completed LVE Outbound Material Handling Form must be turned in to LVE Exhibitor Services.

Make arrangements with your designated carrier to pick up your shipment at the address of the facility where the event is taking place. Please refer to the Show Information pages for the specific dates and times. In the event your selected carrier fails to show, the shipment will be rerouted to the preferred carrier at the exhibitor's expense.

For your convenience, the preferred show carrier will be on site to handle outbound transportation.

You must notify your carrier of the date and times of pick up.
